Item No.	Description	Dimensions†	Case Item No.
6022	Standard Top Adaptor	1.24" x 0.84" (3.15cm x 2.13cm)	602212 (12/CS)

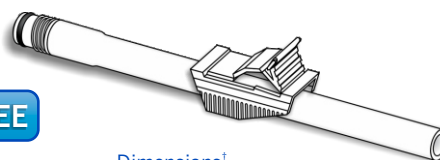

Urocare® Straight-Thru Adaptor with Thumb Clamp

This short, multi-purpose adaptor may be used as a replacement adaptor for the Standard Bottom Drain Valve (#6004) supplied with all Urocare® Reusable Latex Urinary Leg Bags and Urocare® Male Urinal Sheaths.

It may serve as an alternative drain valve, an extension between Urocare® Male Urinal Sheaths and Urocare® reusable latex urinary leg bags or Uro-Safe® disposable vinyl urinary leg bags or as an adaptor for Urocare® Male Urinal Sheaths to connect them directly to most any reusable or disposable urinary leg bag, urinary drainage bag or other urinary and ostomy appliances which accept tubing as a method for connection. Includes small, black Gasket-Ring (#5999) and Two-Position Thumb Clamp (#7000) preassembled.

Sold by the each, 1 adaptor per package.
This is a stocked item.
Non-Sterile, DEHP & Latex-Free.
